2	Multiple	Single or Multiple	One entity	One membership for all parcels and connections
3a	Multiple	Single or Multiple	Different entities with the same owners and ownership interests in each entity	One membership for all parcels and connections
3b	Multiple	Single or Multiple	Different entities with different ownership interests; one common owner owns more than a 50% share in each entity; other owners may be the same or different in each entity	One membership for all parcels and connections
3c	Multiple	Single or Multiple	Different entities with different ownership interests; no common owner owns more than a 50% share in each entity; owners may be the same or different in each entity	Separate memberships for each parcel

**Entity Examples**

Individual  
 Joint Owners  
 Sole Proprietor  
 Partnership  
 Corporation  
 Trust

**Authorized Contact**

Authorized contact person must have legal authority and financial responsibility for every parcel represented by the membership. As long as all other criteria are met, one person may be the authorized contact for different entities.
